timeline

2010 - present

Iris Nation

Digital Creative

A three month placement forming the final module of my course at *Hyper Island*. The role involved developing ideas and concepts, with a strategy focus, for a variety of clients including the *2012 Olympic Mascots*, *Volkswagen*, *Kellogg's*, *Dairy Crest* and the *Laureus Foundation*.

2009 - 2010

Hyper Island

Interactive Art Direction Course

Full-time course with a focus on learning by doing. This meant working on briefs for real clients such as *IKEA*, *Millennium Promise*, *SJ* and the *Swedish Armed Forces*. The learning was enhanced by working closely with agencies like *North Kingdom*, *IDEO* and *Goodby Silverstein & Partners*.

2007- 2009

Peach Digital

Interactive Designer

Full-time position. Responsibilities involved leading design development for clients from a wide variety of sectors including sport, leisure, housing and entertainment. Most notably working with nationwide cinema chain *Vue Entertainment* and 5-a-side football providers *Goals Soccer Centres*.

2007

Screenmedia

Junior Web Designer

Three month placement. The role required active participation in the time planning, architecture design, graphic design and content management for clients including *Scottish National Heritage* and film director *Ian Sharp*.

2003 - 2006

Glasgow School of Art

Product Design Engineering Course

BEng Product Design Engineering

Second Class Honours (2,2)

2005

Start Creative

Junior Designer

Summer Placement as a Junior Designer in the digital department. Projects included storyboarding and layout designs for brands such as *Virgin* and *BA*.

1998 - 2003

Westminster School

GCSE and A Level Courses

A Levels in Art(A), Maths(A), Physics(A) and Technology(A)

GCSEs in 10 subjects including English(A) and Maths(A)

other qualifications

2009	Understanding Group and Leader An experiential leadership course which gives you the opportunity to gain insight into your own personality, identify and handle conflicts, give effective feedback and recognise different phases of group development.
2002	Arkwright Scholarship for Technology Awarded to talented and committed 15/16 year old students to encourage them to persue a career in engineering, technology, maths and science.
2001	European Computer Driving Licence Basic training for computing centered around <i>Microsoft Office</i> .

technical skills

Adobe Software	Proficient in <i>Photoshop, Illustrator, Flash</i> and <i>Dreamweaver</i> . Familiar with <i>After Effects</i> and <i>InDesign</i> .
Other Software	Experienced with <i>Microsoft Office</i> and 3D Packages such as <i>Rhino</i> and <i>Solidworks</i> .
Programming	Good knowledge of <i>HTML, CSS, Actionscript</i> and <i>jQuery</i> .
